**Registration Deadline is
September 19, 2022**

Our Gulf Coast communities are all invited to participate in **Octoberfest 2022**. The purpose is to share information, ideas, network, fellowship, meet local officials, and support our small vendors. The festival theme is **"Community Unity"** to bring our communities closer together. The venue will feature a community information workshop from 9 am to noon with valuable information to help the residents. There will also be vendors with food, clothing, and gifts, along with activities for the children, giveaways, a raffle, and music.

This event allows HAMS to keep our residents informed about community programs, events, and projects our organization is involved in as part of our mission to make our community the place to live, work, and play on the Mississippi Gulf Coast.
